Who We Are

Established in 1981, SIM Boston is the longest-tenured chapter of the Society for Information Management. We are a volunteer-led not-for-profit professional organization of technology leaders that are passionate about coming together to share experiences, lessons learned, and to give back to our community.

Our Mission

To provide programs and services for current and emerging leaders within the greater Boston community who are concerned with realizing the full potential of information technology.

Sponsorship

SIM Boston Sponsors are an integral part of our chapter's ecosystem. We are committed to building long-term relationships and delivering shared value to our sponsors in the following ways:

► Relationship Building.

We welcome our sponsors to join our SIM family and community of Technology leaders and key decision makers in participating in any of our 50+ high-quality networking events throughout the year.

► Brand Awareness.

Their affiliation with SIM Boston and their company's exposure in promotional marketing at events help establish brand awareness and recognition for their organization as a trusted partner of SIM Boston.

► Community Outreach.

Their sponsorship and financial support help to fund community outreach each year. These organizations take pride in making a positive impact on the vitality of the Information Technology profession and in inspiring the next generation of business and Technology leaders.
